For REPRESENTATIVE IN CONGRESS JOHN Z. ANDERSON, Republican	X	No. 21	YES
		No. 22	YES
		No. 23	YES
For COUNTY CONTROLLER THOMAS J. KANE	X	No. 24	NO
		No. 25	NO

VOTE THE REPUBLICAN TICKET

(EDITORIAL)

The voters of the Eighth Congressional District no longer need a rubber-stamp artist at Washington. They are urged to vote for John Z. Anderson, who will be independent and will support the President when he is right but will be against him when he is wrong. We need such a man in Washington. We already have too many Charlie McCarthys at the capitol.

The Republicans in San Mateo County are urged to vote the straight ticket on next Tuesday. The nominees are all true and tried men and should be elected! Here they are: Frank F. Merriam for governor, Dr. Walter Scott Franklin, lieutenant governor, Philip Bancroft, U. S. senator, and John Z. Anderson for Congress.

WARD FOR SUPERVISOR

The voters of the county are asked to support Allan Ward for supervisor. He is capable, trustworthy and will make an honest and able supervisor. We want such men as Ward on the board of supervisors. Vote for him next Tuesday.

Last Rites Are Held For Mrs. Mary Scott

Funeral services were held Tuesday morning at the Franklin, Martine & Crowe Mortuary for Mrs. Mary Scott, of 523 Ruby St., Redwood City, who died Sunday at Palo Alto Hospital after a long illness. Mrs. Scott, 71, was the mother of Mrs. Virginia Bass, with whom she made her home. Rev. W. J. Owen conducted the rites.

Burial took place in Alta Mesa Cemetery.

CHILD HIT BY AUTOMOBILE

Nellie Secker, 7, 115 James St., Redwood City, was cut and bruised Tuesday when she was struck by an automobile driven by George E. Skanderup of Palo Alto. The accident occurred at Broadway and El Camino Real when the girl attempted to skate across the intersection, according to Officer James Schneider.

Sequoia Plans For New Pupils

Principal A. C. Argo of Sequoia High School and a staff of instructors representing various school departments have now started building a schedule of classes which are to accommodate 111 incoming freshman students from elementary schools and transfers at the second semester, starting in January.

Argo said he expected 73 boys and 38 girls from the several elementary schools in the high school district, plus the usual 20 or 30 transfers.

Tryouts for two three-act comedies by the Sequoia Players, which will be presented before the public early in December and in January, are under way at the Sequoia High School.

Philip Barry's Spring Dance, a farce concerning the lives and loves of college youths, will be produced on Friday, Dec. 9, in the high school auditorium.

"The play is particularly adapted to high school and college student production," declared Claud van Patten, dramatics instructor, "and the lines are quite clever."

Cast will be announced this week, van Patten said.

The second of the three acts, expected to be produced early in January, is Martinez Sierra's "The Cradle Song." The play is a comedy along strict classical lines, and "provides an excellent opportunity for character parts," the instructor stated.

Burlingame Group To Present Concert

Mrs. Olive Golden, director of the Orpheon Club of Burlingame, will direct that club and also a massed chorus of 300 male voices on Treasure Island next Sunday at 2 p.m. in a free concert featured by appearance of Charles Kullman, Metropolitan tenor, as soloist.

Mrs. Golden, who has directed the Burlingame Orpheon Club of 40 male singers for the past four years, will take the podium for rendition of "Sylvia" by the entire chorus and another special number by her own organization.

There will be no charge for the concert at the site of the 1939 California World's Fair. The usual fee of 25 cents for adults and 10 cents for children under 12, for admission on to Treasure Island will be charged, and visitors all will have a chance to preview the Exposition before or after the concert. They may go by ferry boat or drive their own machines across the Bay Bridge.

Biggest threat Jefferson packs is Tony Campagno, half, who is dynamite on off-tackle plays and wide stuff, Devine declared. He

Corrected Bill Procedure Held Proper Method

Procedure of San Mateo County in untangling its school tax situation after thousands of erroneous bills had been mailed to taxpayers today bore the stamp of approval of J. H. O'Connor, Los Angeles County counsel.

Asst. Dist. Atty. Daniel E. Sullivan made a flying trip to Los Angeles Saturday to get O'Connor's opinion.

Los Angeles County had a similar tax problem in 1935 which went to the supreme court before it was settled, Sullivan said, and Dist. Atty. Gilbert D. Ferrell thought it advisable to have O'Connor rule on the procedure in use here. Sullivan flew down Saturday and returned Sunday.

"O'Connor's opinion fortifies our position," Sullivan said.

Since his retirement as President of Czechoslovakia, Eduard Benes has been spending much of his time relaxing at his rustic estate near Sezimovo Usti, Czechoslovakia.

Redwood City Pair Injured in Collision

Albert Schroeder, 58, and Forrest C. Moore, 23, both of Redwood City, suffered painful injuries when their automobiles collided Saturday at 6:25 p.m. on El Camino Real at Roosevelt Ave., police reported. Both men were treated at Community Hospital, Moore for cuts and Schroeder for head and hip injuries as well as cuts.

No poultryman should be without poultry-house lights. Once light is started in the Fall, it must be continued regularly until about April 1, poultry specialists say.

MENLO PARK NEWS NOTES

MARRIAGE REVEALED

MENLO PARK, Nov. 4—Henry Buchman, connected with the Buchman Super Service Station on the highway, was united in marriage to Miss Mary Wallis at Reno on last Monday. The young couple will reside in Menlo Park on their return from a honeymoon spent in Nevada.

John W. Ryan passed away at his home in Sacramento on Oct. 26. He was the father of Don Ryan and J. W. Ryan, proprietor of the Menlo Hardware Store. The deceased often visited his sons here. As a young man he farmed in Sutter and Yuba Counties and was well-known and highly respected in Northern California. He is survived also by three daughters, Miss E. Lunney Ryan, Miss Vida Ryan and Miss Alice Ryan, all of Sacramento.

George B. Walsh, manager of the John Z. Anderson campaign in this locality, says that his candidate will carry all the precincts in Menlo Park by substantial majorities. Walsh declares Anderson will be the next congressman from the Eighth District.

Edward O'Keefe, the mighty hunter from the hills, who spends his week-ends at Willow Creek in the northern part of the state, usually gets the limit of ducks and geese. He is a stockholder in the Wilson Gun Club Association.

Mary Elizabeth Powell passed away at East Palo Alto on Oct. 30 and was buried from the Church of the Nativity here on Wednesday morning. The deceased was a native of Ireland, aged 84 years.

The Carnival, here for the past 10 days, has folded its tent and gone, the managers carrying away all the stray nickels in town. We were told that such shows were not to appear here again some time ago, but they came.

Miss Carmel O'Keefe and Miss Lorraine deBenedetti attended the opera in San Francisco Monday evening. They occupied the A. P. Giannini box.

Mrs. Flora R. Hawkins, who passed away at San Quentin Oct. 30, was the wife of H. L. Hawkins, clerk of the board of pardons, and was well known in Menlo Park. She was a sister of Mrs. Evelyn Partee, formerly of Menlo Park, and aunt of Gordon Partee, the former well-known St. Mary's football player.

Mrs. Magaretna McNally was buried from the Catholic Church last Monday morning. She was the wife of the late Robert McNally, mother of Louise Cullen of San Francisco and stepmother of Robert McNally. The deceased came to Menlo Park 50 years ago and as a young woman was active in social affairs. She was a native of Germany, aged 87. In her declining years she suffered from ill health and was glad when the final summons came to relieve her of her pain.

Miss Mary Thomas of Monterey spent the week-end with her aunt, Mrs. W. H. Weeden.

Due to the promptness of Fire Chief Hara in administering first aid and calling for a doctor, little

Still Coughing?

No matter how many medicines you have tried for your common cough, chest cold, or bronchial irritation, you may get relief now with Creomulsion. Serious trouble may be brewing and you cannot afford to take a chance with any remedy less potent than Creomulsion, which goes right to the seat of the trouble and aids nature to soothe and heal the inflamed mucous membranes and to loosen and expel germ-laden phlegm.

Even if other remedies have failed, don't be discouraged, try Creomulsion. Your druggist is authorized to refund your money if you are not thoroughly satisfied with the benefits obtained. Creomulsion is one word, ask for it plainly, see that the name on the bottle is Creomulsion, and you'll get the genuine product and the relief you want. (Adv.)

WHY
is the same group
who tried to keep control of county affairs in the August primaries —
now trying to defeat
ALLEN J. WARD?
Candidate for Supervisor 5th District

Why their sudden emphasis on "A BUSINESS MAN" for Supervisor?

We need BUSINESS METHODS in our county government. Everyone is agreed on that! BUT—how can a MAN with a BUSINESS OF HIS OWN to consider assure us of BUSINESS METHODS in county affairs?

ALLEN WARD has NOTHING TO SELL to the county but his Business EXPERIENCE

For more than 30 years, Allen Ward has been ACTIVE . . . and SUCCESSFUL . . . in direct contacts with business of ALL TYPES . . . commercial, industrial, professional, city, county and state. He is a BUSINESS MAN who can help operate the county on a BUSINESS BASIS, without hope or desire for PERSONAL BUSINESS PROFIT . . . and without the NECESSARY SELF INTEREST of those who conduct their own business. . . .

LET'S ELECT THE MAN WHO CAN and WILL SERVE the BUSINESS INTERESTS of the COUNTY - not of ONE DISTRICT or ONE GROUP!

While this Supervisor will come from the Fifth District, he will be elected BY THE COUNTY and thus MUST SERVE THE INTEREST OF THE COUNTY.

If you want a MAN who will represent NOT one district . . . one city . . . one occupation or one class . . . BUT the interests and problems of all of us, wherever we live—whatever we do . . .

ELECT ALLEN J. WARD
SUPERVISOR 5th District

THE FOLLOWING EDITORIAL IS REPRINTED FROM THE SAN MATEO TIMES, OCT. 31, 1938

Ward for Supervisor

While public interest in the coming election has been chiefly centered in the absorbing state, senatorial and congressional contests, we must not forget the several important selections we have yet to make in our county official family.

Chief among these is the choice of a supervisor from the Fifth district. Mayor Allen Ward of Burlingame is the chief contender for this post and, in our opinion, merits the support of the county on the basis of his experience in and knowledge of governmental affairs. There are three yardsticks we should apply to any candidate for public office. These are, first his personal integrity, second his experience and capacity for discharging his duties and third his intellectual initiative.

There is, of course, no question of Allen Ward's personal honesty. His worst enemies, if he has any, must admit that his score of years in our public life have been marked by a meticulous adherence to the standards of justice both to himself and his fellow-men.

In the field of governmental research there is no man in the county, nor, we may say, in all California, who has so blended study and experience in civics and economics as Allen Ward. More than twenty years ago when municipal government in our principal cities was striving to emerge from the cocoon of pure politics and assume the stature of real business, Allen Ward led America into the experiment of city managership. Then the editor of a daily newspaper in Dayton, Ohio, Ward convinced a number of leading citizens that the solution of pressing problems of municipal incompetence lay along the lines of sane business, in concentrating responsibility in a single business executive. So the theory of city managership, then unknown in America, was born, and Dayton, Ohio, had the first city manager in the history of the country.

After his removal to California, Ward lost none of his interest in governmental economics. He has studied its problems sedulously during the last decade or more and has often been called upon to advise upon governmental problems. Throughout California he is recognized as an authority on civic problems. Here we have the opportunity of taking advantage of his knowledge and experience and it would be profligate of us to neglect the opportunity.

During his service on the Burlingame city council the tax rate of that city has gone steadily downward. Ward claims no personal credit for this trend but in justice he is entitled to his share. Certainly it would have been difficult for the trend to have been otherwise with Ward on the council.

We badly need men of Allen Ward's type on the board of supervisors especially during the busy years of growth ahead.

Statistics gathered some years ago in New York state showed the death rate for single men to be markedly higher at all ages than that for married men.

An ancient library of 10,000 clay documents has been uncovered in Nineveh.

2607 BROADWAY

Yachtsmen Name Safety Group

A safety committee to aid in preventing accidents on San Francisco Bay has been appointed by the newly-formed Sequoia Yacht Club, with headquarters at Redwood City Yacht Harbor, it was announced Tuesday by Dr. A. J. Fromm, commodore of the organization.

On the committee are G. R. Barth of San Mateo, chairman; T. W. Spiller, Burlingame, directing first aid; Victor Hugo of Redwood City and Kenneth F. Kanewske, San Mateo, life saving; Capt. L. F. Bosshardt, Redwood City, harbor patrol.

The yacht club, having a membership of about 50 boat owners and others interested in water sports and development of the harbor as a recreational center, promises to be an active organization and a factor in making boating safer on the lower bay, in opinion of Dr. Fromm.

Dr. Will Rebec of Belmont is vice commodore.

BLAMES WOMEN FOR FIRES

BATON ROUGE, La. (AP)—City fire chief Robert A. Bogan says fires have increased 60 per cent since women started smoking.

Vote YES 3 AND 4

The loganberry, regarded as a hybrid of the wild blackberry and red raspberry, first appeared in a private yard in Santa Cruz.

Accidents, rather than disease, are the principal causes of death for persons from 5 to 19 years of age.

Last Call For Your Vote

Since September, we have been appealing to you, the voters, to defeat proposition 20, the single tax, at the November 8th election.

We have told you of its many evils. To refresh your memory, here is what it threatens to do:

Close Schools
Take Homes
End Relief
Panic Business
Increase Prices
Lower Wages
Add Unemployment
Endanger Savings
Halt Government

We can make these statements for history of past attempts to make land carry the entire burden has resulted in all these things happening.

Don't be misled by the sales tax repeal disguise of this measure. It is not a sales tax repeal initiative alone for a single tax . . . the most destructive tax ever devised . . . would be substituted. You don't want that.

Vote NO on 20

Garlic-Parsley an Aid in HIGH BLOOD PRESSURE

Medical reports say that Garlic-Parsley concentrate has a double action in reducing high blood pressure. First, it tends to relax tightened arteries. Second, it checks or inhibits decomposition of waste matter in the bowels, a contributory cause of high blood pressure. To get concentrated garlic and parsley in odorless, tasteless form, ask for ALLIMIN. These tablets, used repeatedly at regular intervals, aid in reducing blood pressure and relieving headache and dizziness caused by excessively high readings. To learn what raises your blood pressure and for medical treatment consult your doctor. Large box, 60c. Special economy size, $1.00.

KEEP AN EXPERIENCED MAN AT THE HELM!

HERE ARE SOME FACTS:

1. The State Board of Equalization collects almost 200 Million Dollars Annual Revenue.
2. Approximately 90 Millions of it is used to build and maintain your schools.
3. 50 Millions of it is turned over to the Needy. To aid crippled and blind men, women and children of your community.
4. 50 Millions are used to maintain our fine highway system.
5. Regardless of your present property tax, it would be 20% higher were it not for revenue collected by this department.
6. Did you know **Andrew J. Gallagher** is responsible for the honest, efficient collection and administration of these funds?

Retain **Andrew J. Gallagher** in this important position.

He is the incumbent-member! He is **Experienced, Honest and Capable!**

Vote for **Andrew J. Gallagher,** Incumbent-Member of the State Board of Equalization next Tuesday, November 8.

Don't Change a Good Administration.

CAN YOU EXPLAIN ?

A FINAL CHALLENGE TO J. J. (I'M PROUD TO BE A "YES-MAN") McGRATH

WHY you haven't answered the pertinent questions the voters of the 8th District asked you? After all, you know, they have paid your $10,000-a-year salary!

SPECIFICALLY—

WHY you twice "rubber stamped" political administration of relief, and NOW refuse to endorse non-partisan administration of relief?

WHY you voted to tax everybody else's earnings and to exempt your own $10,000-a-year salary?

WHY you call your record "the greatest in 50 years"—a record of 26 bills, none of which passed; a record of "rubber stamping" expenditures so high that this district's share of the taxes and debt approximates $125,000,000?

WHY you "rubber stamped" the Supreme Court packing proposal and the Government Reorganization Bill in opposition to wishes of the district?

Can It Be That You CAN'T Explain?

The answer is, for real representation—

Elect

Jack Anderson to Congress

8th District

(Santa Clara, San Mateo, Santa Cruz, San Benito and Monterey Counties)

The Story of OD *and* AD *and the* AUTOMOBILE

OD and AD were machinists many years ago. One day, at a fair, they saw a buggy with an engine in it. They saw many ways to improve it, and each decided to build an automobile. But when it came time to sell their first cars, OD and AD had *different* ideas.

How OD Tried to Sell His First Automobile

OD invited all his friends and neighbors to his house. He drove his automobile around the block and gave them a ride. They were thrilled. They *wanted* to buy it. But when they learned that it cost $3,000, not one of OD's friends could pay such a high price.

How AD Sold 10 Automobiles

AD had also spent nearly $3,000 in building his first car. He knew that only a few people could afford so high a price, and to find them he must show his car to a great many. So he advertised that he would demonstrate his car the following Saturday afternoon. People came from miles around. AD ran his car up and down the street. Afterward, ten men wanted it. AD told them that by making ten cars he could cut costs and reduce his price to $2,500. So he hired several men, rented a building, and started making more and better automobiles.

How OD Finally Sold a Car

OD heard that AD had sold ten cars, so he decided to try again. When his second car was finished, it had cost him almost as much as the first. He showed it to as many people as he could see and after a long time sold it for just about what it had cost him. In the next five years OD built several more automobiles, but always by the time his cars were finished AD was making better cars for lower prices.

How AD Sold 10,000 Automobiles

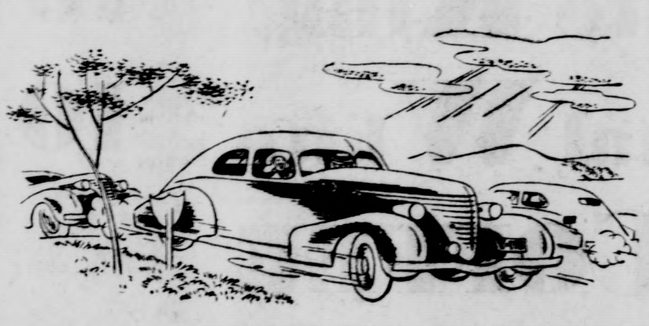
AD decided that if he could make cars by the hundreds, he could lower the cost and add still more improvements. So he appointed agents and advertised in other cities. In this way he was able to tell the story of his car to thousands and thousands of people neither he nor his agents had ever seen. The more agents he appointed, and the more he advertised, the more people came in to try his car, and the more cars he sold. And the more cars he built, the better he built them, and the less they cost.

By 1911, AD was making such a good car for $1,500 that he sold 10,000 that year.

Why OD Gave Up Trying to Sell Automobiles

OD now saw that he could not possibly make cars at low cost by building only a few each year. Nor could he sell enough to make more by telling people about them one at a time. So he decided to go back to work as a mechanic. He applied at AD's factory and was promptly employed.

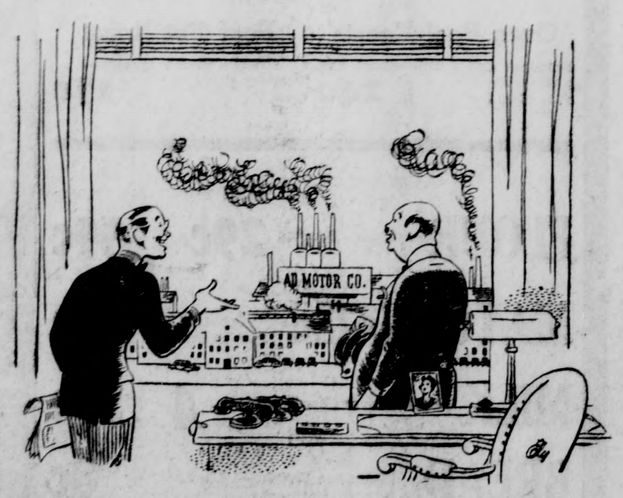
How AD Sold Millions of Automobiles



AD now realized that there were millions of people who would buy his automobiles if the prices were only lower. He also knew that if he could build hundreds of thousands of cars a year, he could make them better and at less cost. So he enlarged his factory, employed more men, and advertised to millions of people all over the country. By 1921, he was making a fine-looking car with a six-cylinder motor and a self-starter. And the price had been reduced to $1,000.

AD's profit per car was now very small. But he sold so many cars that his business was successful. And, as prices became lower and lower, millions of people who had never dreamed they could afford automobiles were able to own and enjoy them.

By 1938, AD was making the best and finest looking car he had ever built—and the price was only $750.



AD Tells OD How It Came About That So Many Families Now Have Automobiles

ONE DAY OD went into AD's office at the factory. OD said, "Remember the time we saw the horseless carriage at the fair? Who would have believed that in 30 years almost every family would have an automobile!"

AD said, "It never would have been possible without advertising. All the advances in manufacturing would have been futile without advertising to tell the story. As it helped us to sell more and more cars, we were able to make them still better and sell them at lower prices. As a result, the advantages of an automobile are now enjoyed by people of small means just as they are by the well-to-do."

"But you spend millions for advertising," said OD.

"Yes," said AD. "But we sell so many cars that our advertising costs only about $15 per car. That is not much when you remember that in 30 years the average price of a car has been reduced by more than $1,500. So, advertising has really helped to *reduce* prices and year after year has helped make it possible for millions of people to have better cars for less money."

[Car prices given above for 1911, 1921, and 1938 are the approximate average of new car prices in those years.]

Halloween Program Given at School

Jack O'Lantern Inn, a one-act play, and a ventriloquist act by Harry Uhlenberg of Lincoln School, were the features of a Halloween assembly at McKinley School Friday afternoon.

Other students participating included Sammy Rodriquez, who played two mandolin solos; stories of Halloween in other countries and Halloween customs by Dick Gatchel and Dorothy Ashley, and a dialogue by Jack Weaver and John Carmack.

Principals in the play were Shirley Farnsworth, Kenneth Jeffery, Mildren Allen and Teddy Meyers.

Richard Williams, president of the McKinley student association, was master of ceremonies. Miss Vera Gerwin was the faculty sponsor.

Among New York state animals, the bear, jumping mouse, chipmunk, woodchuck, skunk, raccoon and some bats hibernate during the Winter.

Political Advertisement Political Advertisement Political Advertisement

Attention San Mateo Co. Voters!

PLATFORM For M. A. GRANT

Candidate for

COUNTY ENGINEER

By your vote on November 8th, I expect to be elected County Engineer. If so, you have a right to know what my policies will be.

When elected, I intend to bring the annual maintenance costs of the existing road system down to a reasonable figure. As costs are reduced there will be more funds for new construction work.

No Road Department can be successful without a definite ROAD PROGRAM laid out over a definite period of years. While such a program must be flexible enough to provide for emergencies, the net result will be an orderly development and modernization of our whole Road System. It will be my earnest endeavor to work out such a program. It has never been tried in San Mateo County.

When elected, I will see that the Road Department Books reflect actual expenditures. No charges will be made against gas tax receipts which, under the law are not properly charged thereto.

Much of the expenditure of the fifty odd Sanitary, Sewer Maintenance, Water and other Special Districts which come under the direct supervision of the Board of Supervisors and the County Engineer, could be greatly reduced if these districts were properly managed. This function of the County Engineer has been neglected in the past and I intend to pay special attention to the economical operation of such districts as come under my supervision.

When any Federal, State or local Project is initiated by private Citizens or taxpayer groups or by the Board of Supervisors it is the duty of the County Engineer to get out the engineering data without delay and to do all he can to carry such projects to a successful conclusion. This, I intend to do.

If I am privileged to carry out the policy outlined above, I want an efficient and loyal organization in the Engineering Department and in the Road Department. And these two units must work together as a whole. To me efficiency—the ability of a man to handle his job is all that will be required.

It is my belief that the policies outlined above will result in an Engineering and Road Department that the County will be proud of. If you agree with me I shall expect your vote on next Tuesday, November the 8th.

Respectfully submitted,

M. A. GRANT,
Candidate for County Engineer.

729 Middlefield Road,
Redwood City, California.
November 3, 1938.

What No. 20 Will Do

Cancel $260,000,000 of State, County and City Revenue by abolishing Taxes on improvements and on sales.

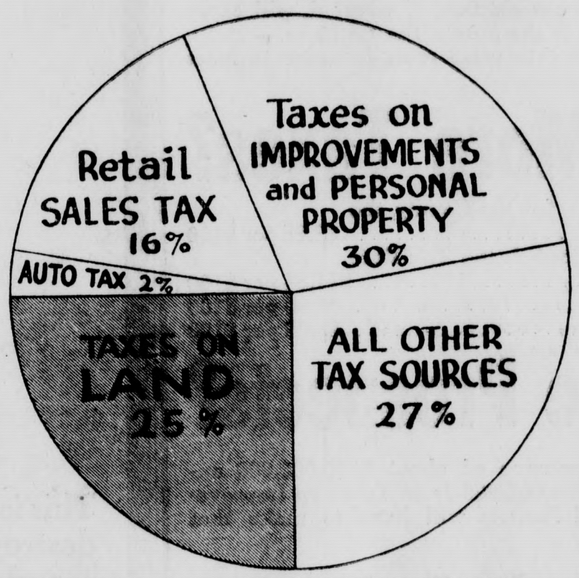
Cast the Entire Taxation Structure to the Winds and Substitute a Theory.

Raise Taxes on Orchards, Farms and Ranches by about 400 per cent. Tax Forfeitures inevitable.

Triple Taxes on Vacant Town Lots and More Tax Forfeitures certain.

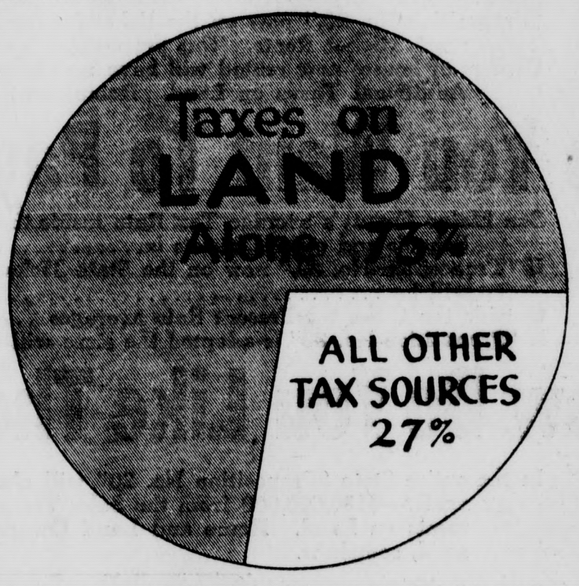
Raise Rents paid for houses and rooms. When hit by High Taxes, property owners must raise rents.

Tax Sources and Percentages as They Are Today



Divide a Tax Dollar and It Looks Like the Chart Above

Tax Sources and Percentages as They Would Look in 10 Years' Time Under Proposition 20



"Single Tax" Makes Land Taxes Almost Eclipse the Tax Circle

THE RESULT

Land, now paying 25% of all our taxes, but producing only ten per cent of our State's wealth, could not pay 73% of all our taxes (as PROPOSITION 20 would require).

Land would therefore pass entirely into the hands of the State, WITH EVERYTHING ON IT! Can you picture a more complete catastrophe?

No Escaping Taxation!

Some non property owners seem to think that by voting for No. 20 they will escape taxation.

They will not. They will pay by indirect taxation just as all of us pay 6 cents a package on cigarettes.

They will pay by higher house and apartment rents.

They will pay in higher room rents.

There isn't a single avenue for escape.

Higher Taxes and Higher Rents

Taxes and rents go hand in hand. High taxes mean high rents.

The Single Tax measure (No. 20 on your ballot) if adopted means an increase in taxes of 200 to 300 per cent. You who own property will pay the increase.

You who rent will help to pay the increase. But your income will not increase. You will pay the higher rent without any promise of an increase in your income to meet the increased rent bill.

Whether you are a property owner or a renter, your interest demands that you defeat Proposition No. 20 on your ballot at the election November 8.

VOTE NO On Proposition 20

S. F. NEWS SQUARELY AGAINST No. 20

The San Francisco "News" has never been accused of taking up the cause of the big taxpayers or landowners.

On Wednesday, October 26th, the "News" said editorially:

"Proposition No. 20 repeals the sales tax and provides a progressive repeal of most other taxes in favor of a single tax on land until the State would, within 10 years, take in taxes what we now pay in rent.

"In other words, it socializes land. And so it is a revolutionary measure.

"If we wish to socialize land and have a revolution, let's put that clearly stated proposal up to the people and see what they would say.

"Adoption of No. 20 would throw California's state welfare and relief program into chaos, reshuffle economic values in the most serious way, and place the economy of the state under a strain that it could not stand at this time.

"Some day, when the people are not so distracted and all of us feel more secure, let's have another debate on the subject.

". . . the sole hope of the proponents of No. 20 is that thoughtless people will vote "Yes" because it is labeled a sales-tax repeal measure.

"WE RECOMMEND TO OUR READERS THAT THEY VOTE 'NO' ON NO. 20."

VOTE NO On Proposition 20

The Anti-Single Tax Association of San Mateo County

Henry Witte, President S. D. Merk, Treasurer Winfield Scott, Secy.-Mgr.

VFW Post Members Reach 200 Mark

Corp. James Lindsay Wilson Post 2310, Veterans of Foreign Wars, had exactly 200 members today, as the result of an initiation last night in which John F. Coteras, John H. DeWitt and William R. Spiker became members.

At the meeting, plans were made for the annual dance New Year's Eve for the annual Christmas party for children, for attendance Sunday night at the First Methodist Church veterans' service, and for attendance on Armistice Day at parades and celebrations in Menlo Park and Palo Alto.

MANHOLE FIRE PUT OUT

No damage resulted from a manhole fire at Middlefield Rd. and Chestnut St., extinguished by the fire department at 7:10 p.m. on Monday. Gas in the manhole was ignited from an unknown source, the department reported.

THE CHOICE OF THE PEOPLE
OF HIS OWN DISTRICT!

JACK LYNCH X

FOR SUPERVISOR 5th DISTRICT

Political Advertisement Political Advertisement Political Advertisement Political Advertisement

HIGHER TAXES
And
HIGHER RENTS

Taxes and Rents go hand in hand
HIGH TAXES MEAN HIGH RENTS

The Single Tax measure, No. 20 on your ballot, if adopted means an increase in taxes of 200 to 300 per cent.

You who own property will make the direct payments. You who rent will have the increase handed on to you. You will pay higher rent without any promise of any increase in your income to meet the higher rent bill.

Whether you are a home owner or a renter it is to your interest to defeat "Proposition No. 20" on the ballot on Election Day.

Do You Want To Pay More Rent?

"Proposition No. 20," now on the ticket for the November election, if adopted, will cause much Higher Rents. This proposition is really for the Single Tax on Land.

Owners of houses now rented will have no choice except to raise rents in order to meet Additional Taxes on Land. Roomers will pay more.

Do You Want To Pay More Taxes?

San Mateo County's average Tax Rate inside the Cities, for the County, the Schools and other Districts is ..... $3.85 per $100

If "Proposition No. 20," now on the State Ticket is adopted, the Tax Rate will be ..... $11.84 per $100

Outside the Cities the Present Rate averages ..... $2.58 per $100

If "Proposition No. 20" is adopted the Rate will be ..... $8.06 per $100

How Do You Like These Prospects?

In the entire State "Proposition No. 20" will abolish revenue of about $260,000,000 annually—$100,000,000 from the Sales Tax and $160,000,000 from Taxes on Improvements on Land. Home and Land Owners and Renters will have to make that good, somehow.

San Francisco News Squarely Against PROPOSITION No. 20

The San Francisco "News" has never been accused of taking up the cause of the big taxpayers or landowners.

The San Francisco "News" of Wednesday, October 26th, came out squarely against "Proposition No. 20," editorially saying:

AS FOR SINGLE TAX

"Our old friends the singletaxers are at it again, with Proposition No. 20 on the November ballot.

"It repeals the sales tax and provides a progressive repeal of most other taxes in favor of a single tax on land until the State would, within 10 years, take in taxes what we now pay in rent.

"In other words, it socializes land. And so it is a revolutionary measure, advocated by mild persons of the greatest sincerity who won't admit as much.

"If we wish to socialize land and have a revolution, let's put that clearly stated proposal up to the people and see what they would say.

"But let's not deceive people by calling it a sales-tax repeal measure. That is as deceptive as to call it a straight-out single tax measure, which it is not because it would retain the income, inheritance, and other taxes.

"Adoption of No. 20 would throw California's state welfare and relief program into chaos, reshuffle economic values in the most serious way, and place the economy of the state under a strain that it could not stand at this time.

"Singletaxers are our favorite Utopians. As individuals they are superb, from Henry George to our own Joseph Thompson and Jackson H. Ralston.

"Some day, when the people are not so distracted and all of us feel more secure, let's have another debate on the subject.

"The fact is that that debate has not occurred this fall and that **the sole hope of the proponents of No. 20 is that thoughtless people will vote "Yes" because it is labeled a sales-tax repeal measure.**

"We Recommend To Our Readers That They Vote 'NO' On No 20"

The Anti-Single Tax Association of San Mateo County
